EVALUATION OF SOURCE

EVALUATION OF CONTENT

1. A syndicate reportedly used as a "front" by T.V. Soong is interested in buying the East Asia Tobacco Company, the Tsingtao Rubber Manufacturing Plant, and the Weihsien Teikoku Chemical Plant, which is reported to be the largest and best equipped of all chemical-dye factories in China. The Alien Property Administration has put an evaluation of U.S. \$1,070,000 on the chemical plant.
2. The Alien Property Administration has not given the prospective buyers a list of goods in stock. The only other prospective buyer is a syndicate in Shanghai.

This document is hereby regraded to
